RESOLUTION

To Support the Creation of an Equitable Health Care Plan for all Maine Residents

Whereas, every person in Woolwich deserves health care; and

Whereas, our present system is confusing, costly, wasteful, and leaves too many of our residents uninsured or subject to high medical bills despite being insured; and

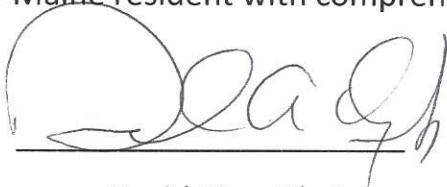

Whereas, a system that is simple, straightforward, and provides citizens with adequate health care is necessary; and

Whereas, eliminating high administrative costs and waste would be beneficial to families and businesses; and

Whereas, improving the quality of life for residents of Woolwich by providing the health care they need is desirable,

Be it Resolved by the Select Board of the Town of Woolwich that,

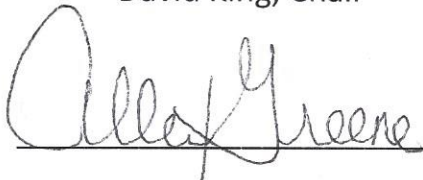

They request that the Maine Legislature create an equitable health care plan that provides every Maine resident with comprehensive health care from birth to death.
